how to find us ...

Take the M5 to Exeter then the A30 to Okehampton and Launceston.

Turn right onto the A395 to Camelford.

Just before Camelford turn right at Collan's Cross onto the B3314 to Delabole. Follow the road out of Delabole for a couple of miles then turn left for St Teath at the Port Gaverne crossroads (do not take the first road on the left signposted St Teath just after Delabole).

Stay on that road (again do not turn left to St Teath) curving around to the right, over an old railway bridge, then take the first right just before Nomansland Cottage, and down the grassy track.

Please note that our site location, to which you are being directed, differs to our office address shown below, which only deals with bookings. Incoming guests are also advised that we do not have signposts either on the main road or back lanes so it is essential that you bring this map and directions with you.

To those of you who use Sat Nav the postcode for the site is PL30 3HZ
